

DAKOTA BREEZE

HDB Sales Launch – May 2017

DAKOTA BREEZE

Contemporary Living

Dakota Breeze is bounded by Jalan Satu and Jalan Dua. It comprises 5 18-storey residential blocks and is located near Dakota MRT station, beside the Geylang Park Connector and Geylang River. You can choose from 954 units of 2-room Flexi, 3-, and 4-room flats.

Please refer to the site plan for the facilities to be provided in Dakota Breeze. As this is a public housing development, facilities in this project will be opened to the public.

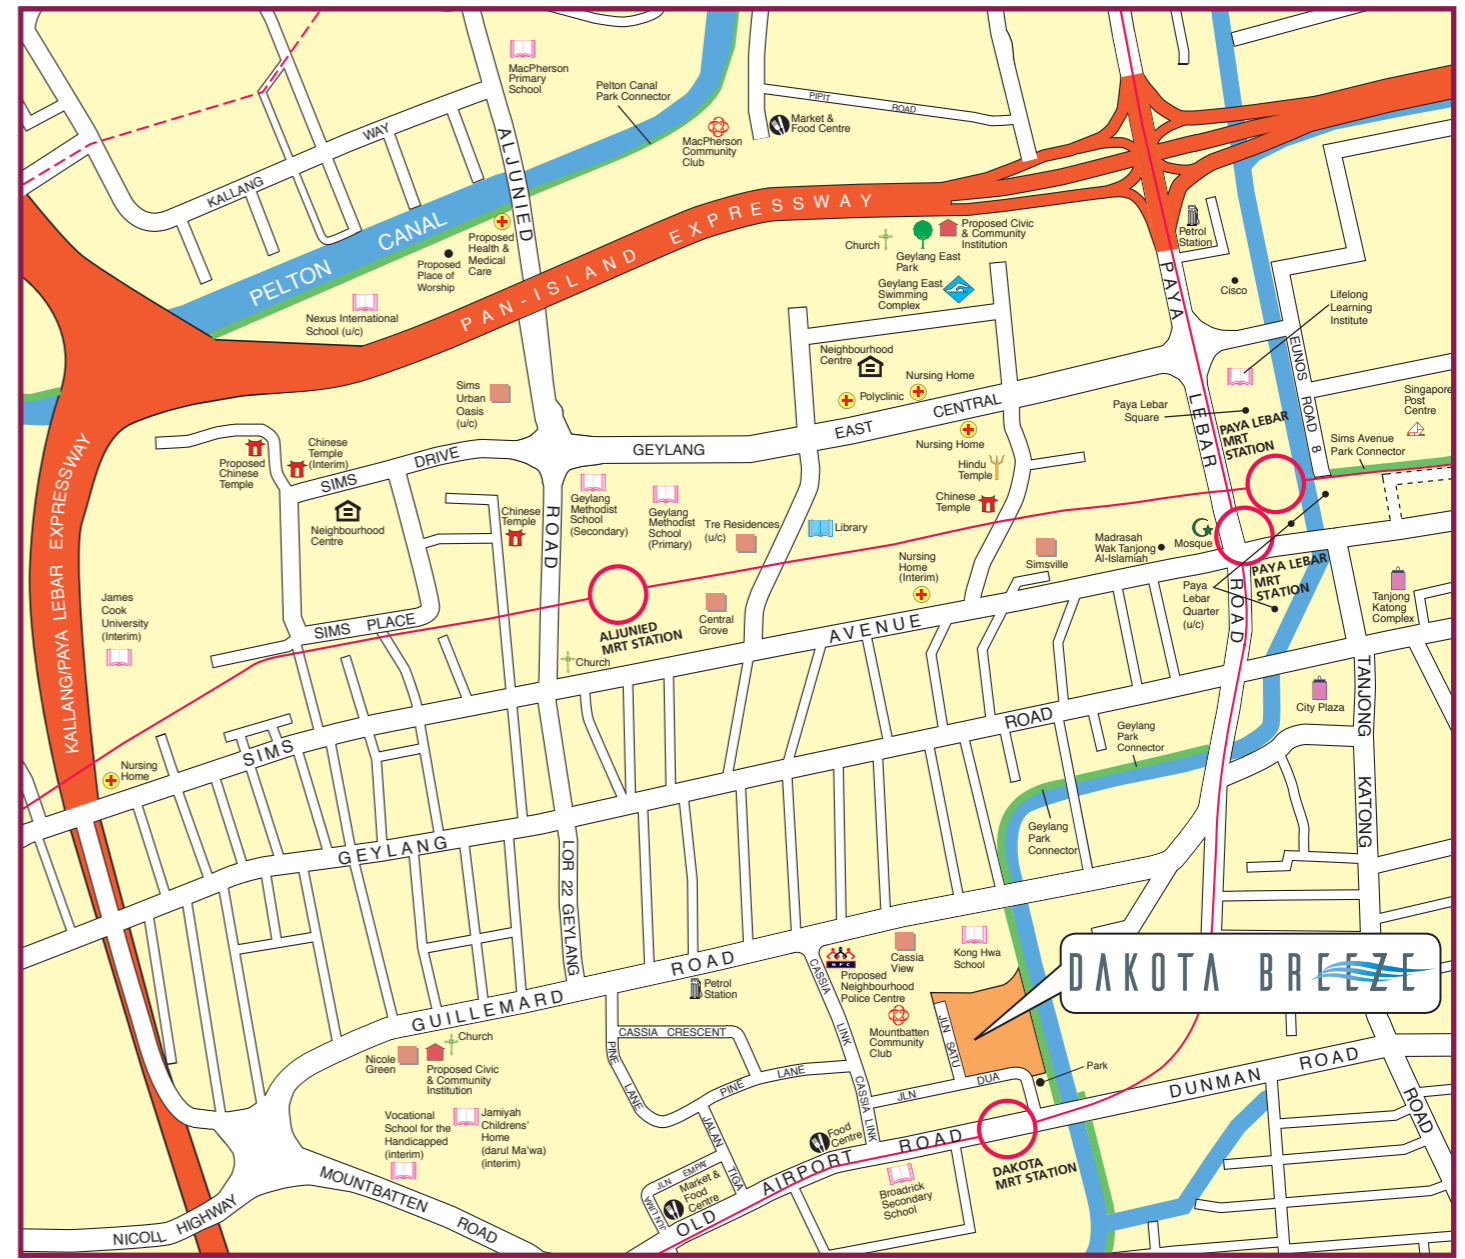

Important Notes

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.

To facilitate your flat selection, we have provided information on the surrounding land use, proposed facilities and their locations in the maps and plans in this brochure. As the information provided is based on the current planning intent of the relevant government agencies, they are indicative only and are subject to review from time to time.
